

## Buddy Walk 2021 Chairperson Description

### Buddy Walk Background

Each year, as part of our mission to promote inclusion and acceptance, Family Connection honors Down Syndrome Awareness Month, and we host our Buddy Walk event as part of this annual celebration. Traditionally, this in-person festival-like event attracts nearly 2,000 family members, friends, sponsors, and supporters who raise awareness and funds during the Buddy Walk campaign. In 2021, we hope to return to our in-person format. (Date, venue TBD). The Buddy Walk Chairperson will have the opportunity to help raise awareness and funds to support Buddy Walk and Family Connection's programs and services for families who have a child with a disability, such as Down syndrome.

Family Connection offers parents peer-to-peer support, helps families navigate the complex healthcare system, and provides guidance and support to help parents plan for, and attend school meetings to ensure their child's supports and services are carried out effectively. There is no cost to families for any Family Connection services.
